CRITICAL CARE

**One weekend only,
don't miss out!**

September 15-17, 2017

Chicago, Illinois

**Register
Today!**

Build mastery

- How to predict a difficult airway and prevent a failed airway
- When — and when NOT — to use medication
- Practical strategies for crisis team leadership

Practice

- Airway techniques with proven devices, including video laryngoscopy
- Tube exchange and extubation of the difficult airway
- Cricothyrotomy

Prepare for challenging acute inpatient scenarios

- Upper airway obstruction
- Massively obese patient requiring intubation
- Tracheostomy issues, including accidental dislodgement
- Bleeding traumatized airway
- Can't intubate/can't ventilate

"You guys knocked it out of the park! Not only was the course highly informative and empowering, but fun and enjoyable as well."

Christopher Battaglia, MD, Buffalo, NY

Created by experts in acute airway management and critical care medicine.

CME Credits

Schumacher Clinical Partners designates this live activity for a maximum of **20.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Schumacher Clinical Partners and Airway Management Education Center. Schumacher Clinical Partners is accredited by the ACCME to provide continuing medical education for physicians.

“I loved the warmth and passion of the instructors. Great group and very accessible. Easily one of the best, most practical and fun CME courses I have had in a long time.” Jennifer Mark, MD, Roanoke, VA

About Us

Airway Management Education Center was founded by Ron M. Walls, MD, Michael F. Murphy, MD, and Robert C. Luten, MD in 1998. Since then, almost 30,000 physicians and advanced medical providers have taken The Difficult Airway Courses. Our faculty are renowned experts in airway management with an impressive portfolio of research and publications. They share an unparalleled passion for teaching, which translates to an extraordinary learning experience.
